A reliable individual experienced in providing care to children of all ages. I am skilled in creating a safe, secure and comfortable environment for children of all ages. Proven ability to listen and respond to children's needs promptly and ensure their safety at all times. Additionally, I am passionate about nurturing and developing children, providing a safe and stimulating environment and engaging in activities that support the learning and development of children. Moreover, I am seeking to utilise excellent communication, interpersonal, and organisational skills to complete tasks. Reliable with a good work ethic and the ability to quickly adapt to new tasks and environments.

- Monitored safely of children at all times to reduce risks.
- Maintained a clean and organised living space for the safety of the children.
- Using the Early Years Learning Framework (EYLF) results as a guide, I made individualised plans based on observations of children's behaviour and developmental milestones. My professor gave me an exceptional mark for accuracy and insight.
- Entertained and engaged with children using games, crafts, and other activities.
- Exhibited patience and understanding when dealing with difficult situation involving children.
- Prepared snacks and cooked meals for children using available food items.
- Established positive relationships with families through trustworthiness and reliability.
- Developed creative activities to engage children in learning and playtime.
- Encouraged social interaction among siblings or other children.
